Comments

Looking back across 2017, were there any exceptional circumstances (e.g. an interregnum or building works) or significant changes that may have led to unusual figures in this return?	
Is there anything additional that should be noted when including your annual return within the Statistics for Mission?	Wilderness, started last year, continues to take place but on an occasional basis and therefore does not strictly meet the criteria of Fresh Expressions.

Thank you for completing your annual return on behalf of your church. Your contribution is essential to the on-going care and understanding of our churches and congregations; your diligence, time, and effort are greatly appreciated. Please take a moment to review your answers. Make sure that you have completed every question as far as possible and not left any answers blank (use "0" or "unknown" or "no services" if necessary), aside from where instructed in question 9. Other blank answers may be queried with you later.
